CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Issued To:

IDEAL CLAMP PRODUCTS, INC.

8100 TRIDON DR SMYRNA, TN 37167 , United States

Product:

Clamps (Stainless Steel)

Products are in compliance with the following code(s):

Uniform Plumbing Code (UPC®)
International Plumbing Code (IPC®)

Products are in compliance with the following standard(s)

ANSI/SAE J-1670-2008

File Number: 0728

Effective Date: July 2019

Void After: July 2024

Chairman, Product Certification Committee

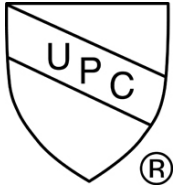

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.

CERTIFICATE OF LISTING

Issued To: IDEAL CLAMP PRODUCTS, INC.

Effective Date: July 2019

File Number: 0728

Product: Clamps (Stainless Steel)

Void After: July 2024

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Identification:

Manufacturer's name or trademark, material designation, size and UPC® certification mark.

Characteristics:

Austenitic stainless steel hose or pipe clamps in various lengths with slotted and/or hex head worm-drive screws.

The band material shall have a minimum thickness of .020" and a minimum width of .495". Bands, screws and housings shall be fabricated from 200 or 300 series austenitic stainless steel.

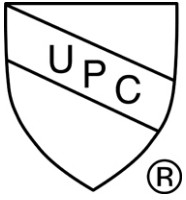

The clamps are listed for joining polybutylene (PB) and polyethylene (PE) cold water service and yard piping & tubing, DWV and sewer piping.

The clamps may also be used for the other applications in accordance with the requirements of the latest edition of the Uniform Plumbing Code and applicable standards.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Product: Hubless Cast Iron Pipe Couplings

Void After: December 2024

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Identification:

Manufacturer's name or trademark and nominal pipe size. The gasket shall be marked with the pipe size, manufacturers identifying mark, and ASTM C564. The band shall be marked with the pipe size. The product shall bear the UPC® certification mark.

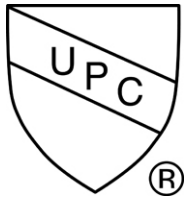

Characteristics:

A neoprene and stainless steel coupling for use in joining hubless cast iron soil and fittings in drainage, waste and vent systems. The coupling consists of a neoprene collar which slips over pipe or fitting ends. Over this collar, a reinforcing 300 series stainless steel band is placed and the pipe assembly is retained with stainless steel bolts torqued to 60 inch pounds. To be installed in accordance with IAPMO listed pipe and fittings, the manufacturer's instructions and the requirements of the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

CERTIFICATE OF LISTING

LEAD FREE

IAPMO Research and Testing, Inc. is a product certification body in which its product certification system includes inspection and testing of samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and/or warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Issued To:

IDEAL CLAMP PRODUCTS, INC.
